The Municipal Engineers of the City of New York will celebrate their Annual Dinner-Dance and Installation of Officers at Terrace on the Park in Flushing Meadow Park. The affair will take place on Friday, November 21, 2014.

Richard W. Zetterlund, P.E., and Mark Klein, P.E., have been nominated as President and First Vice President respectively.

This year we will be honoring Richard W. Zetterlund, P.E., Chief Engineer, Office of the Comptroller, City of New York. Mr. Zetterlund manages a technical and professional engineering staff responsible for analyzing and recommending disposition on New York City public works contract claims, disputes, final time extensions and property damage tort claims. He also is the liaison with the Citywide Engineering Audit Offices, and provides guidance on Comptroller's Office Directives relating to the prepayment audits of capital project payments. Mr. Zetterlund joined the Comptroller's Office in 2013, and previously served as Associate Commissioner for Infrastructure Construction at the Department of Design and Construction (DDC), where he oversaw construction on over 100 active infrastructure projects citywide valued at over \$1 Billion. Mr. Zetterlund began his city career as a Resident Engineer with the Department of Environmental Protection in 1987.

It would be our pleasure should you decide to join us on this festive occasion. We have provided the Reservation Form below for ordering tickets. Hope to see you on Friday, November 21st at 7:00 p.m.

*Yours truly*  
*Husam Ahmad, Andy Lalchandani*  
*Committee Co-Chairs*

### RESERVATIONS CLOSE NOVEMBER 19, 2014
