The Municipal Engineers of the City of New York will celebrate its Annual Dinner-Dance and Installation of Officers at Terrace on the Park in Flushing Meadows Park. The affair will take place on Friday, November 17, 2023 at 7pm.

Sudha Mannava and Lindsay Degueldre, P.E. have been nominated as President and First Vice President respectively.

This year we will honor Deputy Commissioner Thomas Wynne, P.E., of the NYC Department of Design & Construction (DDC) as **The Municipal Engineer of the Year**. As Deputy Commissioner of Infrastructure, he oversees a large portfolio of the City's infrastructure projects, including water main, sewer, roadway, and coastal resiliency projects. He holds responsibility for the critical work of the entire division, including establishing short and long-term goals and working toward the objectives in DDC's Blueprint. Prior positions include Executive Director of BWSO's Engineering and Planning at the NYC Department of Environmental Protection, and Assistant Commissioner in Infrastructure at DDC. He has served as a municipal engineer for over 30 years working in a variety of roles including Construction, Capital Planning, Operations, Plan Review, and Policy Analysis.

We will also be honoring Mr. M. Rizwan Baig, P.E., Chief Engineer of the Port Authority of NY/NJ (PANYNJ), as **Industry Leader of the Year**. As Chief Engineer, he oversees the delivery of high-quality and cost-effective planning, architectural and engineering design, asset management, and construction management services in support of the Agency's Capital Plan. He brings deep talent, wide-ranging experience, and a demonstrated commitment to embracing best practices and 21st century technology to his role as Chief Engineer. In his Port Authority career, including his most recent role as Deputy Chief Engineer, Rizwan has proven himself to be a transportation industry leader, collaborating with both agency stakeholders and regional partners to deliver critical elements of complex agency projects.

Our **Young Engineer of the Year** award goes to Ms. Maria Cuenca, P.E., ESP., CEM, Senior Engineer - JFK Redevelopment in Resilience and Sustainable Design at the Port Authority of NY/NJ.

In addition, our **2023 Municipal Projects of the Year** award will be presented to the Grand Central Madison project, a new 350,000 SF commuter rail terminal for the MTA's Long Island Rail Road (LIRR) in NYC. Part of the East Side Access project, the new terminal, which opened in January, 2023, sits beneath Grand Central Terminal and provides direct connection for all 11 LIRR lines to Grand Central Terminal and Metro-North RR.

It would be our pleasure for you to join us on this festive occasion. We have provided the Reservation Form below for ordering tickets. Hope to see you on Friday, November 17th at 7:00 p.m.

Yours truly,

*Andy Lalchandani, Santhosh Kumar, Mehdi Asharian, Zuzanna Sobczak
Committee Co-Chairs*

RESERVATIONS CLOSE ON NOVEMBER 10, 2023

On behalf of the Municipal Engineers of the City of New York (MENY), we invite you to be proud sponsors of the Annual Dinner-Dance event to be held on Friday, November 17, 2023. Your sponsorships assure your support and commitment to MENY and helps MENY make this event a grand success.

The Annual Dinner-Dance Event will include a cocktail hour with hors d'oeuvres and lots of opportunity to network with industry leaders and peers. Sponsoring Firms will have the opportunity to bring in key projects on poster boards and display them during this time. MENY will also have posterboards with names of Sponsoring Firms displayed throughout the venue.

The cocktail hour will be followed by the Dinner-Dance event where the Sponsoring Firms names and logos will be displayed throughout the evening. The Sponsoring Firms will be recognized for their contribution and commitment to MENY by the President of MENY. The Sponsoring Firms names and logos will also be displayed on the MENY website after this event. Sponsorship levels will be considered for seating priority.

MENY offers the following levels of sponsorship:

Tier 4 - \$2000

- Tier 4 sponsors will have one full slide to showcase their Company Ads or recent projects. These slides will be projected onto screens throughout the Dinner-Dance
- Tier 4 Sponsors could bring in 3 key project poster boards for display during the cocktail hour.

Tier 3 - \$1500

- Tier 3 sponsors will have one full slide for their name and logo. These slides will be projected onto screens throughout the Dinner-Dance
- Tier 3 Sponsors could bring in 2 key project poster boards for display during the cocktail hour.

Tier 2 - \$1000

- Tier 2 sponsor names and logos will be included in a collage slide which will be projected onto screens throughout the Dinner-Dance
- Tier 2 Sponsors could bring in 1 key project poster board for display during the cocktail hour.

Tier 1 - \$750

- Tier 1 sponsor names and logos will be included in a collage slide which will be projected onto screens throughout the Dinner-Dance.

Maximum size of poster boards for display during the cock tail hour should not exceed 24"x36". Sponsoring firm should bring in the poster boards and required easels for the display and remove them after the event.

Submit your electronic Company Logo, ads, and PowerPoint slides to menycontact@gmail.com
