Gale A. Brewer, Borough President

March 28, 2014

The Office of the Manhattan Borough President seeks a part time (15 to 20-hours/week) Consulting Engineer to provide topographical services and support to our Manhattan Topographic Bureau and Land Use Division. These functions include a variety of activities assisting both governmental agencies and the general public. We seek a NYS-licensed professional engineer (PE), civil preferred, with topographic or surveying experience. Major responsibilities will include: preparation and/or review of changes to the City Map for street improvements or alterations in the Borough of Manhattan, including layout, closing, estimate, and acquisition maps, serving as a resource on mapping or engineering related matters for the Office of the Borough President or referred by the Community Boards and the general public, acting as a liaison on engineering and construction matters with various City, State, and Federal government agencies, and assisting in the preparation of mapping reports, briefing materials, and testimony. The successful candidate will be able to work with staff during regular business hours. Pay range: \$50.00 to \$60.00 per hour.

Interested parties should contact Adele Bartlett at: abartlett@manhattanbp.nyc.gov
