The Municipal Engineers

of the City of New York

The Municipal Engineers of the City of New York will celebrate their Annual Dinner-Dance and Installation of Officers at Terrace on the Park in Flushing Meadow Park. The affair will take place on Friday, November 17, 2017.

Ray Girgis, P.E. and Tariq Bashir, P.E. have been nominated as President and First Vice President respectively.

This year we will be honoring Vincent Sapienza, P.E., Acting Commissioner, New York City Department of Environmental Protection as The Engineer of the Year. Mr. Sapienza is the New York State licensed Professional Engineer and holds a B.S. from Columbia University and MBA from Hofstra University School of Business. Mr. Sapienza oversees New York City Department of Environmental Protection's Capital Design Construction and Maintenance Program.

We will also be honoring Ms. Polly Trottenberg, Commissioner of New York City Department of Transportation as Industry Leader. Before her start at New York City Department of Transportation, she served as Under Secretary for the Policy at the U.S. Department of Transportation.

Our Young Engineer of the Year award goes to Vasyl Kravchyk, P.E. PMP. He started his career as a summer intern with the Department of Environmental Protection in 2005 and progressed to an Accountable Project Manager. Currently working as the Construction Project Manager III at the Department of Sanitation on a program to build and maintain the Department of Sanitation's Marine Transfer Stations.

In addition, our 2017 Municipal Project of the Year award goes to The NYC Department of Sanitation's (DSNY) Hamilton Avenue Marine Transfer Station (MTS). The Hamilton Avenue MTS is a key part of the city's 20-year Solid Waste Management Plan that reactivates marine transfer sites to shift waste handled by DSNY to a rail- and marine-based transportation system, dramatically reducing air pollution caused by truck-based transport.

It would be our pleasure should you decide to join us on this festive occasion. We have provided the Reservation Form below for ordering tickets. Hope to see you on Friday, November 17th at 7:00 p.m.

Yours truly
Husam Ahmad, Andy Lalchandani
Committee Co-Chairs

RESERVATIONS CLOSE ON NOVEMBER 10, 2017
