

**OPEN MEETING AND PRESENTATION – January 25<sup>th</sup>, 2023 (Wednesday)**

**SPEAKER:** Vijay Lalchandani, P.E., QA/QC Manager  
KC Engineering and Land Surveying, P.C.

**TOPIC:** Grounding for Railroads and Transit

**LOCATION:** AIA New York Center for Architecture (CFA)  
536 LaGuardia Place, New York, NY 10012

**Refreshments will be served at 5:30PM. Presentation will start at 6:00PM**

Mr. Lalchandani has over 35 years of experience providing electrical engineering and design services for complex, large-scale projects across the United States, including in the New York metropolitan area. He is adept at developing and reviewing electrical design solutions for transit and transportation initiatives. He has also served in several leadership roles for New York City Transit (NYCT), including as Assistant Chief Officer, Director of Signal and Power Engineering, and Manager of Power Operation Engineering.

**Objective:** Grounding for Railroad and Transit Applications

**This presentation is certified for one (1) Professional Development Hour (PDH)**

**Lecture is free for MENY members (\$15 for non-members)**
