

In recognition of the 100<sup>th</sup> anniversary of the opening of Grand Central Terminal, the Municipal Engineers is pleased to invite you to join us for a special

*Behind the Scenes Inspection Tour of*  
**GRAND CENTRAL TERMINAL**

**When:** Tuesday, June 18<sup>th</sup> or Wednesday, June 26<sup>th</sup> 10 AM-1 PM

**Maximum Participants:** Space for this VIP tour is limited to 30 people each day; choose which date(s) you can attend. The first 30 to sign up on either day will be admitted.

**RSVP:** no later than Friday, June 7<sup>th</sup>, e-mail to Harry Tom at [harry.tom@muniengineersnyc.org](mailto:harry.tom@muniengineersnyc.org) or Paul Roppa at [roppap@ddc.nyc.gov](mailto:roppap@ddc.nyc.gov) or call Harry Tom at 212-946-2338.

**Where:** Meeting location within the terminal and further information on the tour will be sent by June 12<sup>th</sup> to confirmed participants.

The tours will be given by Daniel Brucker, Grand Central Terminal’s official Ambassador, in gracious co-operation with Metro North Railroad. Mr. Brucker has provided VIP tours for dignitaries, government officials, and historians for 25 years and has appeared on the Discovery Channel, History Channel, National Geographic Channel, Travel Channel, CBS Evening News and the Today Show.

**Highlights of this behind the scenes tour include:** A visit to New York City's deepest basement with DC generators (which Adolf Hitler tried to have destroyed in 1942), a hidden train station, a 1913 Westinghouse electronic computer, the "war room" on a floor that doesn't exist, the clock tower with the world's largest example of Tiffany glass and the Operations Control Center.

**Proper clothing:** solid footwear, no high heeled or open toed shoes or sandals. Boots are preferred. Your Hardhat is needed to visit FDR’s abandoned rail car. Wear long legged pants and other appropriate clothing for climbing ladders and going on glass cat walks
